What does it mean to sponsor a child in the Dominican Republic?

You will personally make a difference in a child's life. With your support a child has 3 meals a day, a bed of his or her own, housing, clean showers, a house mother/care taker, an education, a safe environment, the chance to learn skills and receive Christian teaching. You can communicate with your sponsored child through letters.

What make this a unique opportunity?

You have the option to communicate with your child through letters and you have the opportunity to meet your sponsored child by participating in a mission trip.

Who are the organizers of this mission?

Brooks and Sharon Way

Who can participate?

Anyone who would like to support a child; you do not have to attend Calvary Baptist church.

Can I pick a boy or a girl?

Yes

Can I pick an age range?

Yes, elementary age, middle school, high school and college age children are in need of support.

Why support a scholarship?

With the ability to attend college children from 3rd grade and up have a vision and a sense of purpose for their future. In the D.R. most high school graduates have to work at 20 -30 hrs week to be able to afford college, which puts them in school for 7-9 years.

With the scholarship fund the kids are full time, live at the orphanage and can focus on their studies, thereby allowing them to finish school in 5 years. This is a privilege that few have in the D.R.

The scholarship fund has changed the outlook of the students; they take their studies seriously and desire to go to college which was once an unattainable dream.

How can I stay connected with my sponsored child?

By exchanging letters with your sponsored child, you can stay in touch. The D.R quarterly newsletters will also keep you informed with orphanage news and ministry goals.
